Well I finally found a place. I couldn't write much more, but, oh well. Maybe mine had a few fights and arguments but that's one of the things that has to be. I do wish one thing, that I met you before I did. From the time we've had in just one year, think what we couldn't have done with two behind you're a swell girl and I respect you in every way. Don't anybody ever tell you a word. I hope you remember all the good times we've had, especially Lakeview. I am looking forward to this summer and next year and the time when we can get together again. I'll never forget you and our times & hope you do the same. The Best of everything to you, although I hope you get it. Love, Bobbi Rash

VOCAL MUSIC

Each year the Mixed Chorus and Girls' Glee Club are quite active in school and community affairs. They are asked to furnish musical numbers on many occasions during the course of a school year. They have appeared practically at all of the men's civic clubs, women's organizations, churches, schools, P.-T.A., etc.

The chorus cooperates with all other city schools in the presentation of a Christmas pageant and Spring Festival program.

There were various entries in the district music contest held at Cullowhee and all received high ratings. The highlight of the year comes during the Spring, when a number of our singers are selected to sing in the 500 voice festival chorus held in Greensboro.

Sixty-five members of the chorus are actively engaged in some phase of musical activity in the local churches, either as members of choirs, organists or directors.

Dearest Dad, how
well, how, how
we are living rising you
seniors. This feast you
had really been wonderful.
Haven't it.
Remember the houseparty and
all the good times telling each other
about our love problems! (and the
good times) "looking" and "Sandy"
I'm really "cheerios" and "Sandy"
know that we will "have a party".

I know that you will be a (Sandy)
wonderful Treasurer of the "Cheerios".
collect too many times from me, Sandy
everything! May God bless me, Sandy
has certainly blessed me, Sandy
you have a "cheerios" and
you are.

Love,
Linda

Dear Gail,

Now, we have always been just the closest neighbors possible, but I think our friendship became closer when we became "Cheer Sisters". I hope we will become closer & closer. Even if I want to be here next year, maybe we can drop a line to each other every once in awhile. O. K. ? Have lots of fun next year & take good care of our club.
Remember,
Barbara

Dear Gail,

Well another year gone by and more fun! we've haven't been to close this year but will make up for it next year and this summer. Don't ever forget all the good times we have had. And all those "off" days when we'd sit and talk over our problems. Yeah we've had a crazy time.

Guess that's all for now Hon, but don't ever forget me and I'll always remember you as the sweetest and truest friend I've ever had.

Love always,
Mary Ann

Dearest Gail—

I'm so very glad we have become friends because you are simply a dear. I love you dearly and I hope you have the best of everything in life.

We sure have had some good times with our "fellows," haven't we? I hope we can have many more of these times. Let's take a trip to Lake Lure—

We have also had some awful times, but we've weathered them. Hope we can keep doing it.

Let's really enjoy our summer with Baby-Baboon (So-handy) and have a swell time
